P Pod

The beanbag seating system with postural support

UK DESIGNED AND MANUFACTURED

P Pod

Specialised Orthotic Services Ltd

P Pod

The **P Pod** combines comfortable beanbag seating with the high level of support from a moulded seat.

Key Components

Removable covers
Quilted, with flip-over head rest and lap strap

Seat
Gives postural support to maintain a good seating position

Bolster
Provides stability for the seat

Beanbag base
Offers a range of functional positions

A home style, comfortable alternative to wheelchair seating, enabling the individual to relax without compromising postural support.

Key Features

- Designed specifically for children and young adults
- Accommodates complex seating needs
- Offers a range of positions without compromising support
- Lightweight and easy to manoeuvre
- Stylish and comfortable for everyday use
- Removable covers for easy cleaning
- A home style, comfortable alternative to wheelchair seating, enabling the individual to relax without compromising postural support.
- Available in a range of standard sizes
- A range of colours to choose from

Accessories

The **P Pod** comes with a wide range of accessories so users can make the seat their own.

Mobile base

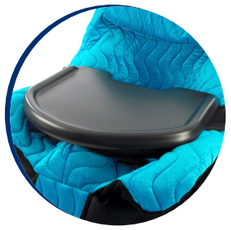

- Lightweight and fits through standard doors (folding option available)

Activity frame

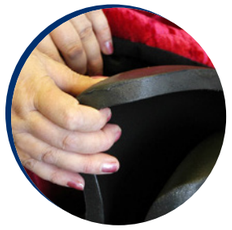

- Toys not included

Lap tray

- Features a beanbag underside

Growth liners

- Removable liners for growing kids, prolong the life of the **P Pod**
